

## GREETINGS DEAR FRIENDS!

Can you believe that 2009 will be our 17th year together? For the past 16 years, God has faithfully given me a strong Word for you men and he has done so again for 2009. Clearly, God's breath is at our backs as evidenced by our tremendous growth over the past few years.

All of us have experienced and fallen prey to the allurements of

## TEMPTATION ISLAND

Often times we look back and wonder, "What was the draw?" Our 20/20 hindsight can make our failures look silly because sin never lives up to the allure of the temptation that sucks us in. Fortunately, God promises that there is a way of escape from Temptation Island and there are ways to avoid being stranded there altogether. God had emblazoned my heart to help the tempted and the fallen see and utilize the ways of escape God has provided for them.

After last year's unprecedented growth, we decided to make room for more of you by offering TWO CONFERENCE DATES. The topic, format and Breakout Speakers will be the same at both conferences. Plan to join me and bring your friends for one of these weekends: January 30-31 or February 6-7, 2009. Buy your tickets early and on-line to get the best early-bird price and to get a steak dinner before they sell out. I am deeply looking forward to our weekends together!
